

# THE MEXICAN DIVISION OF GRAVITATION AND MATHEMATICAL PHYSICS AND THE THEMATIC NETWORK OF BLACK HOLES AND GRAVITATIONAL WAVES

CERTIFIES THAT  
  
CLAUDIA MORENO

Participated with the talk “*Status and future of the Thematic Network ANYOG*”, in the *XII Mexican School of the Division of Gravitation and Mathematical Physics* and the *III School of General Relativity and Gravitational Waves*, that took place on 5-9 of November 2018 in Playa del Carmen, México.

**Dr. Oscar Miguel Sabido Moreno**

President

Division of Gravitation and Mathematical Physics

**Dr. Claudia Moreno González**

Responsable

Thematic Network of Black Holes and Gravitational Waves
